

# OASIS 690 GC

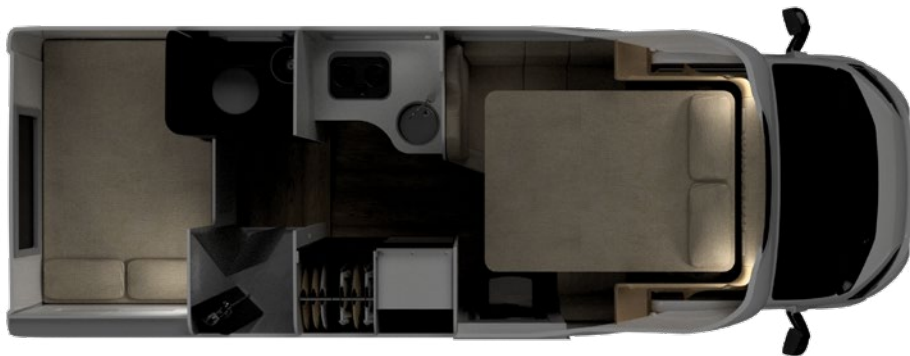

**WINGAMM**

THE NEW DIMENSION OF TRAVELLING

# MAXIMUM DYNAMISM WITHOUT COMPROMISING ON COMFORT

Daytime layout

Nighttime layout

**Oasi 690 is our flagship in its own right** with typical standards of luxury category.

The contemporary design, the muscular lines of the monocoque body, the elegant proportions, the widened rear track, the 16" wheels underline the majestic presence of the Oasi 690.

Well sized based on Fiat Ducato with **wheelbase 4.035 mm**, has a **very short rear overhang, a widened rear track and 16" tires for maximum road holding, stability and lower consumption** with performances that always amaze!

As in all Oasi models, the entrance door and external hatches are equipped with **central locking "Safety Block System"** and the **floor is fully heated** with the "Floor Comfort System".

# WINGAMM OASI 690 GC

## TECHNICAL FEATURES

Sleeps **4 people**

Length **6.920mm**

Rear overhang **1.937 mm**

Wheelbase **4.035 mm**

Travel seats **4 people**

**FIAT DUCATO EURO 6D Temp**

Total mass **3.500 Kg**

Turning circle **14.40**

# FEATURES

**The layout of the Oasi 690 GC is truly eclectic**, dedicated to travelers who do not accept compromises and want to face every journey with maximum dynamism without sacrificing comfort. It is a refined and elegant version, with a spacious double bed in the rear sleeping area and a large garage below.

## 01 // LIVING AREA

The living area, just behind the kitchen corner and the cabinet-fridge column, can be completely separated from the sleeping area thanks to a special realization of the toilet door, which opens to close the passage corridor between the two areas.

## O2 / KITCHEN BLOCK

**The kitchen corner** it is very elegant, embellished with curved elements and chrome accessories that do not go unnoticed. It is complete with 2-burner hob with flush-top lid and stainless steel sink. In front of the kitchen corner, a large wardrobe with door and drawers, **flanked by one double door refrigerator column** and upper space which, on request, can also accommodate the oven.

## O3 / SLEEPING AREA

**The rear sleeping area** it is welcoming and refined. It is composed of a large transverse double bed above the garage compartment with memory-foam mattress, side hanging cabinets and a large shelf on the rear wall.

The **patented longitudinal double drop-down bed**, quick and easy to use, it is complete with slats and memory-foam mattress. Always stays ready with duvets and pillows in place. The side wall units remain usable also from the drop-down bed.

## 04 / TOILET COMPARTMENT

The shower box is located on the right side of the vehicle, in front of the toilet compartment; only for Oasi 690 GC two areas (bathroom and shower) have been designed facing each other with precious and refined finishes made entirely of elegant HPL laminate and resistant ivory-colored fiberglass. Elegant single-lever mixer and chromed accessories elegantly complete the service area.

## 05 / FURNITURE AND FABRICS

The fabrics to customize the living area can be chosen from our refined proposals, all 100% made in Italy.

The furniture decorations are available in different variations, to meet all tastes. The LED lighting is set in wooden and HPL laminate supports designed and manufactured in our atelier to make truly unique atmospheres. rendere atmosfere davvero uniche.

**WHY CHOOSE WINGAMM**

## 01 // DRIVE

Our vehicles are a concentrate of design, practicality and driving pleasure: a real second home that accompanies you where other campers don't dare! An agile and silent driving experience by limiting vibrations and pitching to the maximum.

Having tried a Wingamm, there is no turning back: the silence, the comfortable climate, the welcoming environment, the pleasure of driving, the convenience of getting anywhere.

## 02 // COMFORT

## **03 / SAFETY AND SOLIDITY**

Wingamm motorhomes are unique in terms of safety and longevity thanks to the distinctive fiberglass monocoque that guarantees thermal comfort, silence, impermeability and robustness unmatched compared to traditional paneled motorhomes. Added to this is the offer of the most modern safety features related to the tractor and the centralized locking of all accesses and lockers.

We design and manufacture all custom-made furnishings for each individual model, optimizing liveability and functionality to the maximum. Continuous research and investment in ergonomic and functional solutions in order to ensure maximum habitability in more compact and manageable campers than the competition.

## **04 / DESIGN AND ERGONOMICS**

## 05 / VALUE OVER TIME

The official Eurotax price lists show how the Wingamm second hand is highly sought after and has the best performance in maintaining value over the years compared to the competition. In fact, the first models produced more than 40 years ago are still in circulation and, thanks to the fiberglass body and the quality of the product, they still have perfectly comfortable and functional cockpits.

In the photo an Oasi 610 from 1985, still in circulation and perfectly preserved with all its original components, and therefore awarded the gold plate of the Automoto Club Storico Italiano.
